

Margaret Louise Martyn

December 15, 1955 - March 8, 2024

Margaret "Meg" Martyn, 68, of Newberg, OR, passed away unexpectedly on March 8th. She is survived by her eldest son Anton Martyn and his daughter Paige; her youngest son Dustin Martyn, his wife Nicole, and their son Bear.

Born in Joliet, IL, Meg married at 18 to her childhood sweetheart, spent time in Germany as a military wife, then established a life in California where she raised two sons while working at Wells Fargo Bank. After divorcing her husband, she went back to school and graduated near the top of her class in 1995 with a degree in Industrial Engineering from Fresno State University. She was quickly hired by Proctor & Gamble, where she worked over 20 years as a planning manager in Modesto, CA and Cincinnati, OH.

In 2019, Meg retired and moved to Newberg, OR where she integrated herself into the community by volunteering at the Chehelam Senior Center, joining sewing clubs, and playing Bunco. She was an avid traveler, with some of her highlights being a train ride across Canada, multiple US road trips, and a cruise to Alaska. When not planning and sewing the perfect quilt designs, she spent her time relaxing with her beloved Shiba Inu, Roxie, enjoying movies and board games with family, and reading a good book ... often in one sitting.

Meg had an uncanny ability to spread her happiness to those who needed it most and be a helping hand to those in need. Independent, self-reliant, and

never one to expect a favor in return for the kindness she gave, her energetic personality (often helped by a cup or two of strong coffee) will be sorely missed but never forgotten.

A memorial service will be held in her honor at Greenwood Cemetery in Astoria, OR on April 6th, 2024 at Noon.
