“ Dear Family and Friends of Marge Craven -- What a blessing she was to me. We were both English conversation teachers back in 1976 Yao Osaka Japan. We served at teh Yao Evangelical Free church. It was a great year of being roommates in the church parsanage and to share the great adventure of serving the Lord in Japan. Her kindness, faith and wonderful laugh will be with me always. Til we meet again on the other side...

MT

“ Hello, I'm here with a greeting to you from Winnipeg, Canada, as I've just found out about the passing of my dear friend Marjorie just last month. In case you have no idea who I am, I met her way back in 1976 in Osaka, Japan, where she was working with my home church, Yao Evangelical Free Church, as an English teacher. After I came to Canada in 1977 at the age of 20, Majorie and I were able to stay in touch fairly on a regular basis. Regrettably, our correspondence has been very sporadic in recently years; in fact, virtually non-existent during the last couple of years. I'm very sorry I didn't find out about this until now. Please accept my sincerest condolences as we celebrate her wonderful ninety-six years here on earth, where she touched so many lives, myself included, through her love for others and dedication to the Lord's work.
