“ Bob and Dean, I was so sorry to hear of Marjorie's passing. I heard too late to attend the service though I wanted to share my condolences to you both. While I was at US Bank, I always enjoyed working with Marjorie. I had no idea she worked for the bank as long as she did. I had the pleasure to be a part of her "retirement" with the bank. She immediately started working part-time and I so admired her perseverance working through the merger. She stuck to it for years after so many of us moved on to other jobs. It was fortunate for me that when I moved on I ended up just a couple of blocks away from the bank so I could still see and visit with Marjorie on occasion. Marjorie was a wonderful person and will be missed by so many.
