“ Ben, you & Marolyn have always been so kind & caring over all these years. She always was quick with a smile & asking how I & the boys were doing...both of you. You've been one of the few Fire Dept. couples who I felt safe with after all that happened in the past. I'll miss her a lot! I've been praying for you & your family for strength & comfort & to see God everywhere you look. Cindy Corum

“ My love and condolences to all as you celebrate Aunt Marolyn life. I loved her humor and treasured conversations with her. She made me feel, even as a child, that what I had to say was important. She also made an impression on me that she like to have fun and, again, had a good sense of humor. Her love of family was always present, whether that was helping Grandma Howard, or talking about her children and grandchildren, or taking interest in the California branch of the family, she was always there for her family. With love and prayers, Lori Fikel Galloway and Family
