“ To Mary: I didn't hear about your loss until last Sat. I hope that you are doing OK. My wife and I have framed the embroidered pillow case, with the easter eggs on them that you made for me, in our bedroom so I think about you whenever I look at it and remember you helping me learn how to decorate easter eggs. I talked to my mother today, Linda Matson (Palunuk) and you are in her thoughts. She is trying to find someone who has your address so she can contact you.
