“ *Linda & I are sincerely saddened at Babe's passing. Kathy, Scott, Todd, Dana and your families, we wish we could be there with you, but we know you are there comforting and sharing wonderful memories with one another. The Nicklous family has always held a very special place in our hearts and memories. Babe was a prince of a man who made us better, happier people. His joyful teary eyes and smile are etched in our memories forever. We have no doubt that Babe is already playing a round of golf, or a set of tennis up in heaven. We loved Babe with all our hearts.*
