Dear Julie,

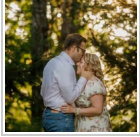

It was a blessing for me to meet you at Matt's retirement luncheon at Gustav's on 02/10/12 where I took the above two pictures. Matt and I worked together at Mentor Graphics. Matt was a great friend, but he was really more like a brother. He was genuinely interested in others as a person not just as a work colleague. We shared many discussions that were both technical and personal. His office always had several Astronomy magazines about which he willingly and cheerfully let me take off his hands for my enjoyment. Matt had a passion for being involved. He was an enthusiastic organizer, recruiter, and volunteer for the yearly Lego Robotics tournaments hosted at Mentor Graphics that are part of the Oregon Robotics Tournament and Outreach Program. He touched many lives. I know he touched my life. I miss him dearly. My thoughts and prayers are with Matt, and you and your family. I pray that The Lord bless you and keep you, The LORD make His face shine upon you . . . And give you peace - - Rick Sedlak

“ *We worked together at Mentor Graphics. He was a great mentor and friend who not only helped a great deal at work whenever I needed him but also helped us get used to the culture and ways of the west. My thoughts are with him and deepest condolences to his near and dear.*

“ I was just thinking of Matson today. I met him when I was taking organic chemistry, and he was just the sweetest guy who helped a youngster like me. I was so blessed to know Matson, and that he was able to come to my baptism as well. I'm so sorry for your loss. He was such a awesome guy!

“ I remember Mat as an engineering student when I was on the faculty at PSU. I was pleased to reconnect with him at a Sitka Center paddle on the Siletz a few years ago and to find that we were neighbors not only at CHR but also in the Southwaterfront District. An outstanding engineer and PSU graduate, he will be missed by his associates and friends.

Judy and I were deeply saddened to just hear of Matt's passing. He was a fine gentleman and we always enjoyed our too-infrequent visits together.

Please accept our sincere condolences...
