*Thanks to everyone who came to Michael's burial service. We saw a lot of the Illias side of the family whom we had not seen in many years. Rest in Peace brother in law.*

“ I met Michael about 7 years ago as a patient at the dental office I work at. We instantly hit it off with both of us liking to talk. We became good friends, not only seeing each other at my work ( he always showed half hour early so we could b.s.), calling each other on our birthdays and during the Christmas season, going out for food and drinks and was supposed to go play putt putt golf soon. I found Michael a pleasure to be with, easy going, easy to talk to, had an awesome smile and personality . I will never forget you Michael and you will forever hold a special place in my heart. I was the lucky one to have you as my close friend!!
