“ I met Noah last year when he started working at JAE in Tualatin. He worked here for a couple of weeks, and I gave him rides home sometimes. We also hung out sometimes after work but the distance was an issue especially in my non-reliable car. I wish I would've spent more time with him.

The moment I met Noah we instantly clicked and we were inseparable at work. He always made me smile, we talked about anything and everything, I knew a lot about him in less than a day. I loved Noah and his company so much. He always made my day. I am sending my love and prayers to the family. He is missed very much!

Heaven has gained an angel and he is resting in peace. <3

“ *Noah always had a smile for us. I remember how much he enjoyed being around my girls and how sweet and caring he was with all he met. I cannot believe he is gone. I am reminded of him a lot lately.. the last time I saw him, the sweet words and that smile. We will miss him so much.*
