

## Norman Wayne Walton

September 1, 1943 - May 13, 2021

He was born on September 1, 1943 in Newberg, OR. He graduated from Newberg High School in 1961 and enlisted in the United States Marine Corps. He completed Basic Training in Oceanside, CA, then stationed in Kaneohe Bay, Oahu, Guam and Toms River, New Jersey where he proudly served our country from 1961 to 1966.

He met Diana in Albuquerque, NM and they were married in 1970. They celebrated 50 years of marriage in December of 2020. They enjoyed their membership in the Car Clubs and touring Car Shows. Many weekends were also spent riding Harley's as they rode throughout Oregon, Washington and Nevada.

Wayne was a firm believer that one should work hard and play hard. He spent his career as a plumber, which he passed onto his son. He retired from Delta Fire as a pipefitter working on many of the buildings you see in downtown Portland.

In retirement, you could find him wrenching on vehicles or see how fast he could clear inventory, just to restock. This was a game amongst his buddies. He loved spending many years at the coast with his parents, kids, grandkids, friends and great grandkids. He never passed up a casino without a quick attempt to double his money.....

He was a talented artist, building birdhouses, metal artwork and drawings. Many people would often call on Wayne for assistance and he wouldn't hesitate to help with the repairs. He was consumed with projects and tried to complete the best he could.

He had many aliases such as; Fred, Papa Fred, Stormin Norman, Papa, Big Daddy and many other colorful names at times...

He was taken away from us too soon, but he lives eternally in the hearts of his wife: Diana, mom: Margaret, Children: Sean, Kelly, Maggie, Son In Laws: Brett & Chris, grandchildren: Cadie, Tori, Kevin, Brynn, great grandchildren: Harmony, Aleeyah, Addie, Lane, Jocelynn and the countless other family and friends who knew and loved him.

“ *I can't think of anything much better in life than having a friend like Wayne. Sharing the silly times, funny times, the more difficult times and the great times. No matter how close or how far away, our friendship never wavered. I truly cherished Wayne's friendship and will miss him deeply. Ken Carsley*
