El Patricio, my Brother. I think of you everyday that God blesses me with my journey in life, and will always have my memories to remember each and every day. My kids and Grand kids, you we're so much a part of there lives too. You had your moments, (a lot of them in your life), and always managed to get through it. You loved life, animals and the outdoors. Know one was a stranger to you, you we're always there to offer a hand if you could.

*I Love you!
