

Paul Arthur Simmons

March 31, 1938 - January 21, 2023

The family of Paul Simmons announces his peaceful passing.

Paul was born in Miamisburg, Ohio. He moved his family to Oregon to assist in kicking off a company that was selling bank equipment. Eventually, he sold the first ATM that was installed in the Northwest area.

Paul always enjoyed working with young kids as he was a Boy Scout leader, 4H leader and Newberg Booster club supporter. Paul and Mike Douglas joined forces to gather the funding and building of the Newberg High School grandstand. The project was a joint endeavor that he was proud to be a part of.

After retirement, Paul began growing kiwi fruit as a hobby and worked with the OSU/local AG offices to develop the crop, which he eventually sold through a U-Pick system, with many returning customers year after year. Another hobby he was passionate about involved growing hydrangeas. He jumped into learning about this plant and produced hydrangeas to sell where he was also able to share knowledge with customers about the many plant varieties.

His greatest blessing was his family. Paul is survived by his wife Patsy of 61 years and they were blessed with four children: daughter Pam (and husband Greg), son Phil (and wife Carrie), son Patrick (and wife Amy) and son Pete

(and wife Amy), along with his five grandchildren: Hannah, Aden, Audrey, Ryan, and Abby.

In lieu of flowers, donations to the American Heart Association in Paul's honor are encouraged.

(Paul's celebration of life date will be later this spring).
