“ To the family of Ed Savage,

*I first met Ed when he was a captain on the Newberg Police Force. I was the first full time city attorney. It was the 1970s and I was quite young. Captain Savage was always helpful and patience with me. Being a new lawyer, he gave me so much practical advice and guidance. I spent many hours in his office discussing issues as I worked with the department.*

*Years later, it was fun to talk with him concerning his work with the VFW hall near city hall. I never got tired of chatting with him. Great man and a real asset to our community and the other communities he served.*
