“ *Very sad and confused over the loss of Remi. Have not kept kept in touch since he left the truck plant but I did think of him. I remember he loved his cat-looks like he had a few over the years. All my Love and Sympathy to the Loved Ones he left behind. Jon Woolhiser-Final Chassis*

“ I grew up with Remi in school. He was always kind. I live out of town and cannot attend the service. My prayers are with his family at this time. May you find comfort in God's arms.

“ I worked with Remi years past at Freightliner. He was always good to be around and little shy to get to know. But after awhile he was always a friend. It's with lots of sadness I learned of his passing. May he find peace now. And May his family also find peace in knowing he had many friends that will miss him also.

“ Remi and I were work buds at Freightliner. We talked a lot about everything. He showed me massive respect. If he was having a bad day, I was his go to guy. I remember how excited he was when he met April. Cool dude. I love ya man! Rick Milburn

“ *Remi was one of my closer friends at Frightliner and we had many good times , It may sound odd but me and Remi had this talk once if something like this ever happened to one of us , It may be he died hard but he died well , at least as me and Remi would of seen it , He was one person you would never want to corner , But also one of the nicest men I have ever known , I well miss him even though I have not seen him in sometime our friendship was timeless I well always be proud to call him my friend , And I look forward to seeing him again one day ,*
