“ *Missing you so much. Thoughts of you cross my mind every day. I still keep thinking of you being in California then I remember you're not there. I think maybe there is some comfort still thinking of you there, going about your days, doing grand jury work, visiting with friends, petting your kitty, enjoying the sunny weather.*

“ *Richard's quick and often sarcastic wit, followed by the twinkle in his eye will be sorely missed. We spent many hours solving the problems of the world. There is a new star shining brightly in the heavens. Rest well my friend.*
