“ *Doc was my friend. I will always miss him. I will always be grateful for the help he provided my family many times and the care he provided for my animals. He was a true blue "healer", his gift to many, he always had a story or a joke that was worth listening too.*

“ *We loved Doc. He took care of our animals and was always patience as our son wanted to "help" him. So sorry that he's not with us anymore. He always had a smile and a story and would ask about our kids whenever we'd see him after he moved to Burns. Love from the Claus family in Sherwood*

“ *Doc was such a good friend. A fount of humor, advice, and great stories. He was always there for me, day or night. He was honest, polite, and witty. We had so many wonderful conversations, and when I was feeling lonely, he'd always come over to visit. My prayers and condolences go out to his family. I will miss him.*
