“ I am so sorry. I was in Parkrose H.S. with Bob, graduated 1957. Moyer is my maiden name. Bob or Bobby as we called him hung out with our gang, so to say. He was liked by all and was very kind to me. At class reunion a few years ago, he was still the same kind, gentle boy and I was so glad to see him, and he was glad to see me. He asked of Vernon Moffat, whom I married and after 24 yrs. divorced. As I said, he was one of the gang, from Vern, Jerry, Kieth, Bob Bolton. All those boys graduated 2 yrs. before us. Once again, I cried for him and for all his family. He will be missed by all. I just remembered something funny. It was a lifetime ago at a public pool where I saw a goodlooking boy showing off on the bars with pull ups and the such. I wanted to know who that was and Bob was the only person I recognized amongst the group. So I pulled him over and asked who the guy was and he said "his name is Vernon, he goes to the H.S. at Parkrose where we would be going, so look for him". The rest is history. Thank you for allowing me to write. Love to you all. Nancy Downs
