

## Robert Lee Stanislowski

October 23, 1946 - September 22, 2022

Robert Lee “Bob Ski” Stanislowski was born October 23, 1946 in Ardoch, North Dakota to Lillian and Delbert “Stan the Man” Stanislowski. He passed on to our Heavenly Father with unheralded bravery and dignity in the company of loved ones on the morning of September 22, 2022, one month shy of his 76th birthday.

Bob had battled and persevered through a litany of ailments in recent years all while not losing the fortitude and strength to protect his closest loved ones. In these times, he encapsulated the heart, grit and essence of a generation that has since been lost.

Anyone who knew Bob knew that he marched to his own drum. An honorably discharged United States Army veteran, he served aboard a Huey helicopter as an aerial overwatch gunner providing close support for our troops in Vietnam. He ultimately made his career mark in the Portland car business where he was active until his death.

Bob was a father, husband, brother, uncle, and a meaningful friend to many. One heck of a ballplayer (almost pro if not for the draft), he had a passion for sports that epitomized what it means to be a true fan. Go Beavs! He was also a relentless jokester, always two steps ahead with unparalleled physical and psychological scare tactics.

Together with all who loved him, we look forward to sharing memories and continuing to uncover the sometimes complex layers of the man who shared his life with us.

Services will be held at Attrell's Newberg Funeral Chapel, 207 Villa Rd, Newberg, Oregon on Thursday, October 6, 2022 at 11:00 am. Committal at Middleton Pioneer Cemetery, Sherwood, Oregon.
