“ Robin, I am very sad to hear of your loss of Bob. He was a great friend with a cat ate the canary smile and a ready laugh. The times we had (Mike, Rod, Gary, Russ, to name a few) with Bob during our teens were the best. My thoughts are with you.

Well said Dave. Makes me think about so many great moments including all of us working at McDonald's!

“ *My favorite memories of my Uncle Bob are when my parents would do "kid swap weekends" and all for of us girl cousins would get together at the Stern house and have fun. On one of these weekends, all four of us girls were giggling and running in and out of the house and my cunning Uncle Bob thought it would be funny to lock us all out on the patio without shoes on a hot summer day. All of us girls kept giggling and calling to him to let us in and he just kept laughing and laughing. His laugh was infectious.*

*I remember him capturing and tickling the two little girls (Stacey and Colleen) - all the time. I remember the times when Katie and I would be playing a very serious game of "School" or "Barbies" and Uncle Bob would come in like he was going to play with us and we would laugh and shoo him away. I remembering having so much fun when my Aunt Robin and Uncle Bob took us four girls to San Jose Family Camp and playing shuffleboard till all hours. I know that the Sterns especially my Uncle love to camp and be away from the hustle and bussle outdoors.*

*I remember my Aunt Robin and Uncle Bob being there when I needed them the most. True kindness and love is never forgotten. I will never forget my Uncle Bob and will choose to remember him from family get-togethers - always having fun and getting us kids to laugh. I will remember him in his the-dye Grateful Dead shirts working on projects outside or throwing all the kids in the pool at my house. Rest in Peace Uncle Bob. Love you so much!*
