“Rozeann was a very talented, caring person - cook, painter both tole and oil, avid reader, collector (remember figurines in kitchen window), fundraiser for animal shelter, gardener, etc. We spent much time talking on the phone and visits. I miss those times!

“Rozeann was always interested in members of our extended family. She would inquire during every phone visit. Rozeann also conveyed news of her extended family. Rozeann was proud of daughter Raina and grandson Miles. She treasured time with them. Rozeann delighted in watching birds. She had a remarkable memory for their names. Rozeann and husband Norb planted gardens throughout the years. Rozeann enjoyed fresh produce, fruits, berries, roses, bulbs and flowering shrubs. We will miss her presence in our Dey family. “ Rozeann loved her family and the animals! She was on the Newberg Animal Shelter Friends (NASF) Board of Directors for years. She was treasurer for several years and worked at event fundraising too. She was passionate about the animals and building a new animal shelter for the City of Newberg. I've included some photos of her with her friend Darlyn Adams (NASF President) and working at the Bake Sale during one of our Mega Yard Sale events.

Rozeann was instrumental in fundraising for the new building. She will be missed.
