“ *I always felt a special connection with Sandra, we had the same sense of Humor and many times when I laugh it sounds just like Sandra's laugh. So besides the memories and love for her I can actually hear her in my laugh from time to time. I say to myself "that sounds just like Sandra" and I am reminded of my sweet cousin.*

“ Treasure hunting along the creek bank in Glenwood, watching cheesy scary movies when I had my sleepovers, staying up late and listening to music, laughing at all the silly things we would do together. Aunt Sandra was my best friend for a lot of my preteen and early teenage years. My friends always loved hanging out at aunt Nan's house in Cornelius. Always smiling no matter what the situation. Your love and your strength will always be remembered.

“ There are far to many amazing memories to list. My aunt was a unique, one of a kind, caring, witty, loving woman. I will miss you everyday.
