“ *My granddaughter Casey is married to Scott's son Kyle. This resulted in the pleasure of adding new family members to our already growing family. I had the pleasure of spending several family celebrations with Scott & his family. He always made us feel welcome and immediately accepted us into his family. He was always friendly and easygoing.*

“ *One thing that I'll always hold onto was Christmas trees. Going every single year to get one and being on a rotation with him and Kyle on who got to choose the tree that year. And always watching him water it after it being in the house and seeing how silly it looked the way he did it. Decorating the house for Christmas with him was one of my favorite things. I wish I had been able to tell you I missed you before it was too late. But I hope you knew that I did.*

“ *My dad was the best. He helped me with literally anything I needed whenever. I'm not sure yet how I'm going to get through life without him yet but he raised me to be able to figure it out. I'll love and miss you forever!* ”
