

Shane Lee Barnett

March 19, 1973 - November 22, 2022

Shane Lee Barnett was born in Newberg, Oregon on March 19, 1973, to Wayne and Sandra Barnett. Shane was the second of seven children. He attended and graduated from Newberg High School in 1991. Shane stayed in Newberg, until very recently, where he worked mostly for family in the construction trade.

In May of 1994, Shane met the love of his life, Stephanie Crane. Stephanie was the younger sister of Shane's good friend, Chuck Crane, who introduced the two. Shane and Stephanie quickly fell in love and were wed in the summer of 1997. The two did not wait long to start a family and in the fall of 1998 their daughter ShaeLee was born followed quickly by her brother Wayne in 1999. Their youngest son Kyle joined the family in 2018.

Shane worked in the construction industry most of his life and owned Square Deal Concrete, a business that he ran with great success until his passing. There was not a harder working man around and Shane was a wonderful provider for his family. If he wasn't working, Shane could be found for several years raising livestock for and with his kids and hauling them around the country to show competitively.

He was a great father, who excelled at loving, providing, and teaching his children. As a husband there was only one woman for him. Shane and Stephanie celebrated 25 years of marriage in July 2022. As a son, he

provided for and became the man of his mother's life when his own father died when Shane was just 25. If you knew him as a friend, you knew true friendship. Ever willing to lend a helping hand, give his time, talent, treasure and ear for others, Shane was a beloved companion.

Shane and Stephanie along with their children recently began a new adventure in Idaho purchasing a large piece of farmland and building a home as a legacy for their family. They were also blessed with their first grandchild, a baby girl, in September of this year. As a new grandfather, he was so eager to help raise his grandchildren, and was already in love with little Guinevere for the three months they had together.

Shane was a born-again Christian, and believer in Jesus Christ and he loved the Lord and sharing that love with others. He would have loved nothing more than that his death would lead others to Christ to receive the blessed assurance and hope that he had found. He is survived by his wife Stephanie Renee Barnett, his children ShaeLee Renee (Stefan) Grumazescu, Wayne Lee Barnett, Kyle Jay Barnett, and his granddaughter Guinevere Renee Grumazescu.
