“ *Sending all our love to each of you. Sierra made such an impact on those around her. Her inner beauty and sweet spirit touch each of us and we are all better for knowing her. Her memories live on and she will never be forgotten.*

My favorite memory is of her tossing her wine glass over the balcony at the wedding reception, and then feeling guilty .., she was like my rents are going to be so pissed. I told her, just let them catch you!

I'll miss her smile, she was a true angel.

We love you all... Sierra is in our hearts and minds forever.
