

Stephen Tracy Lund

December 12, 1949 - February 4, 2022

Steve was born in South Bend, Indiana to Raymond and Ruthe (Tracy) Lund.

He grew up in Michigan, and attended the University of Michigan. A passionate fan of the Wolverines, Steve was active in the Portland alumni club. Saturdays during football season were always reserved for UM football games. (Special thanks to the Wolverines for beating Ohio State this year.)

After graduating with a degree in electrical engineering, Steve moved to California to work for Hewlett Packard. In Santa Rosa, CA, he met the love of his life and favorite dancing partner, Nancy Savonick. They married and had three awesome children. They lived in Sebastopol, CA until Tektronix made Steve an offer he couldn't refuse.

After moving to Newberg, OR, Steve was instrumental in starting and maintaining a Friday potluck and wine group. The group grew as people brought in their friends, and their friends brought their friends. Many new friendships were formed thanks to Steve.

Steve was also passionate about ham radio. Starting when he was ten years old, he enjoyed contacting other hams around the world. He was an avid bicyclist until recent years. In addition to cycling for fun, he rode in many 100-mile rides in CA and the Midwest. The culmination was the Davis Double, a

200-mile ride.

Steve was preceded in death by his parents and his beloved cat, Jeremy. He is survived by his wife of 41 years, Nancy Savonick; children Mandy Lund, Erik Lund, and Aleksei Lund (Mary Mathias); grandchildren Olivia Lund, Skylar Banuelos, and Mateo Banuelos; brothers Scott Lund and Rudy Lund and their families; and many friends.

“ I'm sorry to learn of Steve. I knew Steve from ham radio in Sonoma County, CA. WA8LLY was his callsign.

“ Skylar and Mateo will miss going to park and swimming with their grandpa Steve. What great times they will have to cherish when they would visit with them. Most of all sending mail to grandpa Steve. We love you Grandpa Steve.

“ When myself and my kids first moved to Oregon we were grateful to be invited by Steve and Nancy for Thanksgiving and Christmas gatherings. Steve and Nancy were great hosts. I remember Steves spread of very good wines that accompanied dinner. He was very knowledgeable and enthusiastic, it was impressive. We had enjoyable conversations and it was good to be with family.

My heart goes out to Nancy and family at this difficult time. Wishing you peace, comfort and lots of love at this time of sorrow.
