“ Dear Uncle Benny and Aunt Leona, My memories of Tammy were when my parents took us to California, I think it was Oceanside. Although this was years and years ago I remember us all playing and having so much fun. I will always remember that. Your all in my prayers. Jolene

“ I will never forget the first time I met your family at Grandma and Grandpas house, I immediately loved all of you. My family was never as loving and fun as yours was and I was jealous and loved every minute of it. When you moved I really missed you and I still do. I will be at the service and look forward to seeing everyone. Tammy was a sweet girl and I will always have a special place in my heart for her as well as all of you. Sincerely, barb
