“ Hallo John, Richard, Gordon and families

I m so sorry to hear from the death of your father, father in law and grandfather.

Our condolences to you .

I can hardly believe that I can t talk to him and hear his voice just as I did on his birthday and on Christmas as I did every year.

We will never forget the times we spent together when your mother had been still alive. Now he will meet her and all his friends from Germany and America again, so we all hope.

Our thoughts and prayers are with you.

You are warmly greeted
