“ Dear Pete and family...We were so sorry to hear of the passing of Teri. Hal says how much he appreciated the "cookies" that she brought him to the Recycle. He always looked forward to seeing you both on Saturdays. I met Teri through the beauty shop back when Lucy Seits did her hair and then when Lucy retired, my friend Kim did her hair for awhile. I always enjoyed seeing Teri because she was always so cheerful and funny and witty. She made everyone laugh and yet she had a heart of compassion for those who were hurting. She was the kind of customer that you always looked forward to seeing. Even though time had passed and I did not see her very often , when I did have occasion to see her in passing, she never forgot me. We know that your family has suffered a big loss and we want you to know that we will keep you in our prayers. We hope that you will find comfort for your hurting hearts and know and she will be missed by us as well. Our Deepest Sympathy, Judy and Hal Turpen

“ Mom~ I cannot believe you are not here. You left me too early and I really needed you in my life a lot longer than God had planned. It's hard to imagine my life, my children's life without you! You were an amazing, strong, courageous woman. I thank God you were my mother. You taught me to be strong and I see you in me and I am so lucky for that! All the wonderful memories we shared with never be forgotten and I plan to go on with some of our traditions with my kids. Did you get the balloons that Ava and Emma sent up to you yesterday? They love you so much and miss you. As for Dad, he misses you too. I think he will be lost for awhile, but we all know you are in a better place, and knowing that makes me even stronger. Know one wanted to see you suffer. My apology to you is that I am sorry I wasn't there more! It broke my heart to see you like that. Even through all the pain, you still stood strong and again what an amazing woman you are! I love you mom and I cannot wait to see you again in Heaven. I love you mom, you were my best friend and I will miss our conversations, but most of all I will miss you proud smile every-time you looked at your grand daughters! Love your Daughter, Kathy
