“ I am sending my deepest condolences to Thomasine's family and friends. I loved her very much and grew very attached to her. She was like a second grandma to me. I enjoyed her very much. She was a talker but I loved hearing how she talked and how she brought up the good old days and how much she loved her husband. She was so kind to everyone here ..She also had a gift with her knitting and crocheting, I am definitely gonna miss our "Tommie" 'and I know all you will miss her too, Thank you Harmony
