“ *I just found out today about Tianna's passing and I'm devastated by this news. Tianna and I worked together at the Port of Portland and became pretty close friends. She was vibrant and full of life and always had us laughing. She is sorely missed in this world and my heart goes out to her family as this is such a huge loss.*

“ I was heartbroken to discover that we all lost Tianna. I had the pleasure of working with her during her time at the Port of Portland. And as all of you that knew Tianna can attest, even when she worked, she played. Her annual choreography of our employee Halloween flash mob was always one of my favorite activities. She really brought down the house as the star of our "Purple People Eater" performance in 2012. I also got to spend time with her outside of work participating in local fun runs. Her theatrical make up was awesome during the Zombie Run 5k, and we had a post-apocalyptic blast. Here is my favorite picture of us taken during a Mud Run 5k. She was ahead of me as we crawled under the cargo net through the mud, but she stopped and turned back to help her teammates catch up. Classic Tianna.

“ *Tianna Hubbenette will always be one of the most incredible friends I have had in my life. Although her musical talents reigned supreme, they pale in comparison to the love and support she always selflessly gave to others. Her humor and zest for life was magical. She touched so many lives, and I will be forever grateful for the time and many hysterical moments we shared together. Although time and distance may have separated us the past few years, I always thought about you, my dear friend. You shaped my life for the better in so many ways, and I will miss you everyday. I take comfort knowing you are once again in your mother's arms, but I'm heartbroken that you're gone. I know you are the most dazzling Angel in heaven, and you will shine forever in our hearts.*

To Justin and Grandma - I am so heartbroken over Tianna's passing, and am nearby if you need anything. Please don't hesitate to reach out - (503) 995-3000. I sadly cannot make it to the memorial today, but I'm thinking of Tianna and you each day. Love and prayers to your family.

“ We didn't know we each other well but I spent many weekends at the place I met my husband in a booth mesmerized by your voice and light that shined within you when you shared your gift with us. Like so many others I am so saddened by your passing. I do however believe in a higher power and that God's choir truly gained one of it's greatest members. May you forever live in our hearts as you are singing to a greater audience now.

“ *I am shocked to read of Tianna's passing. A bright star gone too soon! I worked with Tianna about 5-6 years ago, and also ran into her earlier this year... I remember how vibrant she was, and her red shoes. :) Tianna, I cannot believe you are gone. Prayers to your family at this time.*
