“ Tina was such a sweet lady! I remember her years ago in Greenleaf and I hadn't been around her until I started working at Friendsview. She was so consciencious about taking her 4 o'clock pill. It was always such a joy to see her after Bev came, she would be singing and so happy, she would mention she sure had a sweet daughter and so glad she came. We miss her and know she is in a better place and not bothered by that pesky little 4 o'clock pill anymore. Take care, Carolyn
