“ To all that knew Tom also knew that he lived life the way he wanted and touched many that he would call friends. He tried to surround himself with best people he could and as his brother we could see he did. He left us too soon but he will be loved by the one's that loved him and for that we have opened our hearts to them, now and forever. We will never forget and will always love you bro and to many "Snacky". Thank You
