

Travis H. Thornton

March 26, 1967 - February 14, 2019

Travis Hewitt Thornton passed away unexpectedly on Thursday evening, February 14, 2019 at Good Samaritan Hospital in Portland, surrounded by family and friends.

Travis, son to Connie Lee Thornton and Edgar Hewitt Thornton Jr. was born on March 26, 1967 in Newberg, Oregon. He was raised in Newberg with his three siblings: Todd Marshall Thornton, Troy Lee Thornton, and Tracie Michelle Thornton (Feenstra). He attended public schools and graduated class of 1985 from Newberg High School. He found Christ, was saved, and immediately began serving in the church. Travis was married, raising children, and owning a business during early adulthood. He later worked many years in the automotive service industry, including 18 years at Loren Berg Chevrolet in Newberg and most recently at Accu-Tech Automotive in McMinnville. He was known for his genuine commitment to customers- always going above and beyond and had a strong work ethic throughout his life. Beginning in high school, Travis served as a “big brother” to Troy Bullock through the Big Brothers Big Sisters of America program. Troy spent weekends, went camping, and attended events with Travis and his family for decades to come. Travis enjoyed spending time in his yard and working on his home in Lafayette. He could usually be found lighting bonfires or hosting parties, and mostly spending time with family and loved ones. Travis would do anything for anyone, never expecting something in return. He will be remembered for his never ending heart for giving, joking, and quoting movies, his generosity, and

his laugh. He died at the age of 51 and is survived by his love: Denise Marie Williams, his former spouse: Barbara Jane Quincy and three beloved children: Amy Elizabeth Thornton, Darci Nicole Thornton, and Michael Jerry Thornton. A service for Travis will be held March 14, 2019 at Attrell's Funeral Chapel in Newberg, Oregon at 2:00pm. Please visit www.attrells.com for details.

Through this site, we invite you to share your thoughts and fond memories with Travis's family.

“ Love you Brother. A true patriot and great friend. Wish I could be there with all the family and friends at the memorial.

Funny, I have lost some really BIG ones recently, and, this memorial page greatly exceeds the outpouring of love and memories from family and friends. This speaks in volumes of how Travis affected all of us.

#MAGA3X Brother Travis!

“ So saddened to see this news.

so young and so full of life

I knew Travis from always taking my blazer to Lorn Berg He always made things right for me and so genuinely helpful

Always taking the time to help and be kind even when he was super busy

After Loren Berg sold and Travis moved on I only saw him once at Freds but he was very positive and feeling good about life

Really a smile that was contagious

he loved his family and went out of his way to be a friend

May God grant him peace and comfort his family at this time of sorrow

sincerely

“ Travis,

Our family is deeply saddened about Travis' passing...

I'm truly sorry that I didn't get to spend more "hangout-time" with Travis... I was so looking forward to celebrating Travis' 52nd birthday with him...

I will never forget my 55th birthday party that Travis threw for me... Very, very thoughtful!

We've all lost a very dear friend who always left you feeling better by the end of his phone calls. Always so positive and had such a love for life and people.

Travis was instrumental in the success of Loren Berg Chevrolet for nearly 20 years!

Most importantly, Travis was a wonderful friend to each and every one of us at our store.

There's no doubt Travis is once again with his mom and dad in heaven!

With love,

Loren, Lisa, Jake & Michelle Berg

“ Will never forget the days of being Travis neighbor we spent many years together, talking cars, having cocktails and of course talkjg politics.. what a friend he was always there and support me in my back surgery the doctor making me walk miles and Travis walked with me.. was good times standing in line back to vote for a president. If you could imagine the discussion yep they were heated.

Travis was one true and proud American who flew his flag right there in front of his house..

You will sorely missed my friend...

Travis, I will think of you fondly anytime I see anything political. LOL you were one of the most fearless and transparent people I have ever known.
