“ Best Mommy in the world I'm so thankful I had you as my mother xoxo you have brought so much hope love care and inspiration! I don't know what I'm gonna do without you but I will say you taught me everything I know and I want to grow up to be like you beautiful inside and out. You're my hero and will always be in my heart. It's us against the world and will always forever be! You will also always be Ayma to your grand babies they miss you so much. Thank you for the best child hood I could ever have asked for and your love and support. You were always my number one fan and the one who I'd call on but now you're all our guardian angel I love you so much mommy. Forever in my heart.
