“ Moments ago my sister Sandra called out, "Guess who I found?!" It was sad to see that it was an obit for Vernon Whitehurst, but good to see his face and read all the good things about him and his family. We were the 4 little girls that grew up with Vernon & Dale across the street from them on Highland Ave. in Salem. We do have pictures I think of both Dale & Vernon shoveling the snow over in our yard I think. My sisters were older than me and we always remembered the boys. I will look for those pictures and add them when I find them. I was sure they were already in my files, but might have put them right in with our family. I know his family will enjoy them, so will look for those today. I am so glad that this did not slip past us. Many prayers and tons of love from all of the Woodruff family. Our parents who are deceased were Floyd & Rosa Kittson Woodruff. We are their daughters youngest to eldest: Roxanne, Rita, Sandra, and Sue. By the way, I have a cat named Cocoa so know she sends sympathy to his dog Cocoa.
