“ Dear Parker family, I am Gary Whipple's sister and I wanted to let you know how much we loved Timi. When she and Gary were together I was the (slightly)"younger sister". Timi was always so kind to me, interested in what I was up to and always willing to talk. I had 4 brothers and no sisters so I really appreciated her caring...and her humor! We also went through such deep grief together. That creates a real bond. She was so good to stay in touch, especially with Mom. She will be missed yet remembered fondly by so many. My heart goes out to you. Judi Danforth
