“ I'm so sorry to hear that Wayne passed away. He was such a dedicated employee at Friendsview, always wanting to do his best to help everyone else. He was conscientious, caring and kind - a true example of Friendsview's mission lived out every day. Thank you, Wayne's family, for the ways you supported him in being such an important part of the Friendsview community for many years. He made a difference.

“ I have fond memories of working with Wayne at Friendsview; Wayne was a hard worker, never complained and was always willing to do whatever was asked of him. I'm sure he's receiving his due reward in heaven! Prayers for strength and comfort for family and friends, Alice Cooper and family 🙏🙏
