“ When my grandma died in 1988 I mentioned to Wayne and Bertie that she had prayed for me every day, and I would miss knowing that. They said, "Well, Rich, we pray for you every day." I was a sophomore in college (George Fox) at the time, and it meant the world to me! I was glad to stay in touch with them both over the years, and I was always uplifted by our visits and prayers. Did anyone record the funeral service? I would love to see/hear it.

“ Dear Roberts family, I was grateful for the obituary of "Dr. Wayne" in the Medford Mail Tribune. He and Bertie were long-time friends. He was a beloved colleague and friend of my deceased husband Dr. Bill Miller especially the years they shared at the VA Dom in White City. His gentle spirit, deep and abiding faith that grounded the living of his life will always be remembered. May the living of your lives be an extension of his legacy, and may you be upheld by the God who is our sustainer, redeemer and our hope. Blessings, Carol Miller

“ Dear Family, Thanks for the good memorial gathering. I was just too tired to stay for the reception, but glad to share a few remembrances. I could have mentioned also that Wayne shared a ride to Idaho for a choir trip one spring, along with Fern. the choir director and Hazel Mary Houser, crammed into my our old 34 Plymouth ("Penelope") with booted tires and luggage strapped onto the fenders. Blessings on all of you and your families. Arthur Fern adds her greetings. Arthur
