“ I will always remember him showing his support for family being at family events, occasions, family gatherings and even remember him & Aunt Sallye showing up at my gma funeral service( my dads mother) to show support for his niece Connie(my mom) & our family which was so kind especially since he didn't have to. Also I've observed how much he genuinely loved and cared for his wife..always wanted to make sure she was cared for always.i also remember when i was caring for him & Aunt Sallye how he was especially kind to me when i heard of Aunt Bea passing & held my hand while i cried & was saying kind words to me..consoling me. My heart & prayers are with all his family. Much love Julie(Connie's oldest)
