“ Marilyn,

It was strange the weight your Christmas card had when it arrived. I think both Tim and I could feel what was going to be expressed inside and neither wanted to open it and make it so.

Bill was a light. He showed me heart over power. He made everyone around him a better person by just wanting to be a little more like him. I am forever changed by my good fortune to work for him.

His sense of humor also made Bill a standout. I can't even express the reaction Tim's parents had when a big pink bunny showed up at their home while we were there on vacation.

Thank you for sharing him with us all. Love to the whole family as you make your way through the holidays and future,

Amy and Tim Sherman
