“ *First I want to say how sorry I am for your loss. I can't believe he's gone. I was a co worker of Williams. When he first started at JAE I was one of the first ones to show him the ropes. A couple of weeks ago I made burritos for our crew he just loved them he said ,come to find out he unknowingly put s whole bunch of jalapeños his mouth was on fire but he still ate every bite. He was so funny. I'm already missing him.*
